

REMARKS

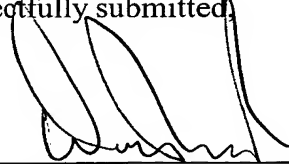

Applicants respectfully assert that the foregoing amendments are not being submitted for purpose of delay and do not involve new matter. With regard to the changes in the specification, through cancellation of the claims in response to the Restriction Requirement in the present case, Applicants have deleted inventors Jeffrey Zachan and Geoff Hatcher, who are no longer the inventors of the allowed claims. Applicants have attached an accompanying Request to Correct Inventorship according to 37 C.F.R. § 1.48(b), whereby the Applicants request that Jeffrey Zachan and Geoff Hatcher be deleted as inventors for the present application since said inventors' inventions are no longer being claimed in the application.

In addition, Applicants have amended the specification on page 3, paragraph 13 to correct for a grammatical error.

Also, Applicants have amended FIG. 2 to remove "system" from the PLL system 101a, in accordance with the specification.

If, in the opinion of the Examiner, a telephonic conference would expedite entry of the foregoing amendment, the Examiner is invited to call the undersigned attorney at (770) 933-9500.

Respectfully submitted,

David Rodack; Reg. No. 47,034
